

# Snorkeling in Neil Island

Snorkeling involves swimming on or across a big body of water while using swim fins and a snorkel, a specially designed tube. Snorkeling is another popular activity in the Andaman Islands, and it is made easier for beginners by the reefs' shallow beginnings. If you want to explore a new experience of [Snorkeling in Neil Island](#) then here is a chance for you to book your package from Andaman Island Travels at an affordable price and fulfill this dream of yours.
