ABOUT US

We, at the LIGHT METAL CASTERS MANUFACTURING CASTERS MFG LLC are a leading, multi-faceted company, actively dominating our presence in the industrial sector in all around the United Arab Emirates.

A progressive and forward thinking metal fabrication company with wealth of knowledge across many sectors.

OUR CHALLENGE: We are your go-to workshop, where creativity and functionality work together to manifest radiant creations. Creativity and functionality are combined to offer our client high quality products that reflect their personality or the brand identity they represent. Tailored made solutions are produced with no imagination “limits”, and engage aluminum’s malleable properties into unprecedented sinuous shapes for original, colorful and finished results.
