### About

Dr. Douglas Amell graduated from the University of Toronto with an Honours Bachelor of Science Degree in Physical Organic Chemistry, with a heavy interest in quantum physics and subsequent studies in various personal growth technologies.

In 1998, he graduated from the 4-year post-graduate Naturopathic Doctor program at the Canadian College of Naturopathic Medicine ([www.ccnm.edu](http://www.ccnm.edu)). Upon graduating, he moved to Moose Jaw, Saskatchewan to set up practice, and in 2002 established the Moose Jaw Naturopathic Clinic. He has a profound desire to inspire others to live the best life possible for themselves through sound nutritional and philosophical principles.
