

Valley Family Medicine Urgent Care Center

Our walk-in urgent care clinic provides quick and convenient care for a wide range of non-life-threatening medical issues. Whether you have a minor injury, illness, or need routine health services, our experienced team is here to help.

by Valleyfamily Medicine UC

Our Walk-In Clinic Services

Illnesses

Colds, flu, sore throats, sinus infections, and other common illnesses.

Injuries

Sprains, strains, cuts, burns, and minor fractures.

Routine Care

Vaccinations, physicals, lab tests, and preventive screenings.

Reasons to Visit Our Clinic

1

Convenient Care

No appointment needed - walk in anytime during our extended hours.

2

Shorter Wait Times

Get treated quickly without the long waits of an ER.

3

Cost Savings

Our services are more affordable than an emergency room visit.

4

Expert Care

Our board-certified providers deliver high-quality medical care.

What to Expect at Your Visit

Efficient Check-in

Our streamlined process gets you checked in and seen quickly.

Comprehensive Evaluation

Our providers conduct a thorough assessment of your condition.
