Producing great voice work is entirely dependent upon the quality of our relationship; where we define your needs and together we expand the ideas, clearly define the audience and create the perfect tone, pacing, mood and character.

About Me

Demos & Samples

The proof is in the demo pudding. Scroll down to find the demo compilation or individual recordings of special interest to you. You can also download any individual file, which lead with my name to help you store and retrieve it when needed.

Demo and Samples categories include:

- **Commercial and Commercials with Character**
- **Corporate Narration**
- **Character Voices**
- **eLearning and eLearning with Characters**
- **Broadcast**
- **Non-Broadcast**
- **Audiobooks**
- **Political Ads Demo**

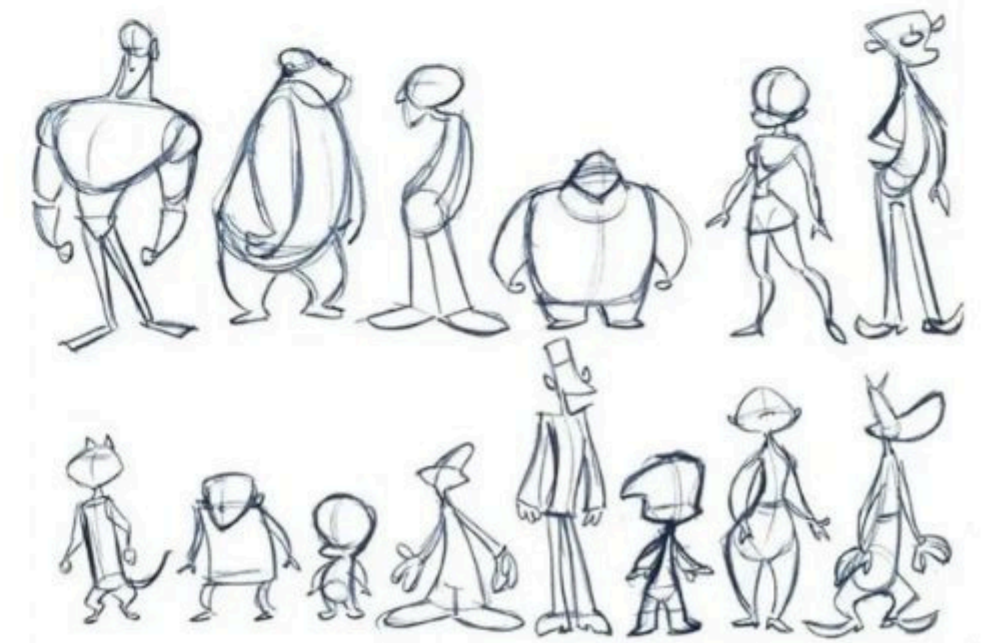

Commercial Demo

This skilled Voice Actor brings your products to life, evoking desire, interest and emotions; brightly transforming text and intention to create meaningful experiences for your clients.

Commercials With Character

Characters bring a special energy to your ads. Your voice talent elevates and augments your message with the joy of characters.

eLearning Demos

TWO DEMOS here: corporate eLearning samples and eLearning with characters.

Other Non-Broadcast Narration

Includes a wide range of narration types used in non-broadcast situations including Medical Narration; Audio Tours; Explainers and more.

Corporate Narration Demo

The Mission is the Message in Corporate Narration — an honest delivery with heart or an authoritative, knowledgeable spokesperson.

Character Voices

Character Voices are more than just cartoons and animation, showing up on many voiceover genres to bring a particular brightness, edge and humor to your spot including Commercials, e-Learning, PSAs and many others.
