Since we are an elite **exhibition stand design & booth construction company in Leipzig**, we make sure that every element is ideal in your booth. It doesn't matter if you want a massive double-decker pavilion or a tiny modular stand, we follow the same approach. We use a collaborative way, listening to your ideas and using the newest design trends to create a stand that will look amazing and work flawlessly during the exhibition. Don't worry about the attention and recognition because your unique offerings and your uniquely built stand will rock the show. You will surely go with profitable ventures and deal closures.

### User friendly

A modular exhibit stand system like the Mod-U-Lok offers the most user-friendly and hassle-free way to build an exhibit stand.

### Reusable and environmentally friendly

Build reusable modular exhibition stands. Increased usage makes our modular stand a greener option.

## Booth Vision is the go-to place for the modular portable display stand

A global innovator in the design and production of modular display solutions is Booth Vision. Simply swap out the images to get a completely new display whenever you want a different appearance. Whether in the UK or in Europe, our amiable and knowledgeable team will maximize your presence and support the success of your stand. Different types of show graphics are available for our modular exhibition stand systems. It features vinyl graphic panels with magnetic tape-mounted

### Save money

The use of lightweight materials for modular exhibition stands saves transportation and labor costs.

### Simple to travel and store

Pre-built structures are expensive, difficult logistically to move between shows, and environmentally damaging.

## Feasible storage

After use, the display stand will be dismantled and stored in our warehouse. We can redesign it for a new exhibition.

silicon beading and tension fabric graphics with or without LED light boxes. Additionally, we provide portable displays, pop-up stands, and reusable modular exhibition systems. You provide us with the details of when and where, and the rest is up to an impeccable selection of modular exhibition stands.

## Flexible

One of the major features and advantages of modular exhibition stand design is its flexibility.
