# Learn about my services

## **Mutual Dissolution Services for Married and Domestic Partners WITHOUT Minor Children**

To dissolve a marriage or domestic partnership, couples can utilize this joint petition method if they meet specific criteria, are in mutual agreement, and are prepared to sign all necessary documents together. This streamlined approach, often favored for its efficiency and reduced complexity, requires both parties to work together closely throughout the process, ensuring that all aspects of the dissolution are handled jointly and cooperatively.

## **Mutual Dissolution Services for Married and Domestic Partners WITH Minor Children**

This service is tailored for married and domestic partners with minor children who are in mutual agreement and ready to sign all essential documents together. The streamlined approach of this service is highly efficient and reduces complexity. It mandates both parties to collaborate closely throughout the process to ensure a joint and cooperative handling of all aspects of the dissolution.

## **Legitimation**

This service is specifically tailored for fathers in the state of Georgia who wish to establish parental rights for their child or children. Both parties must be in agreement with all terms, and will collaborate closely throughout the process to ensure the smooth handling of all aspects.

## **Name Change**

I offer comprehensive services to streamline the complex name change process in the state of Georgia. My expertise ensures meticulous handling of all necessary documents, including overseeing the publication process. Let me assist you in navigating this intricate procedure with precision and care.
